CHAPTER 1 (RICHA'S POV)

Hi! My name is Richa Spears. I'm new here in this weird town called Weirdoville (bizarre,right?!!) Anyways,my parents got transferred here 'coz of their work (they're scientists) I'm 16 yrs. old & I study at Wendeth high school. My new school is famous for its pranksters & boasters! There's this girl in my class,Jill Weirido. Her friend,Kit told me that Jill has superpowers. She got them from some 'haunted' house. She told me about some 'Wishing ball' (rubbish!!) Anyway,I told Kit awful stuff to say about Jill. Itchy cat!! She went ahead & told Jill what I'd said! (uh-oh!) Today,Jill came over to my desk. I

told her I didn't mean to say that stuff. Instead, she warned me not to go into the 'Blue Streak House'. If I ever did I'd be in danger (whatevs!) I wish I had listened to her..

That day, after I did my homework, I hurried over to 'Blue Streak House'. I wanted to see what more 'magic stuff' lay hidden in there. Oh no! Mr. Kane (he's the old guy about whom Jill warned me) saw me! He caught me & tied me to a chair! (yikes!!) & then... a masked person flew in through a shattered pane! Hey! It's Jill! In just a few minutes, we were outta there! Jill said to me, "I warned u! Mr. Kane's an old psycho." "Sorry. I didn't know. Can we be friends?" I asked. "Yeah, sure! U should be thankful my psychic system was on." she replied. She gestured to Jet, "There comes 'Mr. late Jet', ha!" "Hey, I'm married! Coral won't let me off so easily, ok?!" Jet replied. "Hey! Where's ur mask?!" Jill asked. "Uh... I can explain that!" he muttered. (Well, he had a lotta explainin' to do that day!)

See ya!

CHAPTER 2: SHOPPING MENACE!

It was a Sunday morning. I was out shopping with my 4 best friends, Jill Weirido, Jet Weirido , Coral Shawl Weirido & her sister, Kaya Shawl (I like Kaya a lot!) These guys had their own credit cards (awesome!) My parents don't trust me with a credit card! We were looking out for a mask shop (since Jet tore his superhero mask during his 'fun adventure' with Coral! Yuck!) Anyway, Coral spotted a clothes showroom & dragged Jet inside! (She's gonna cost him a fortune!) As we were gonna step inside the mask shop (yes, we finally found it) , there was a huge 'thud' outside! Everyone was screaming & run-

ning!! Oh no! A monster!! But Jet & Jill had it under control soon! They defeated the monster & saved our town (yay!) Everyone was happy (including us!!) We got everything we wanted to buy...for free! Jet got his mask & as for Coral, she got 6 designer dresses...free of cost, of course (luck Coral!) Anyway, we went back home (happy & content 'coz we saved so many people!) The end!

CHAPTER 3 (JILL'S POV) : MARRIAGE PROBLEMS!

Anyways, we let go of our 'best' friend, Richa (u guys remember her, right?) 'coz she was too boasty & stuff. & now, some new girl & her parents had moved in next door (they're mind-blowing!) U may think they're normal, but guess what? They're aliens from outer space (seriously!!) But what's new? The town people are used to creepy stuff (they know all about super-powers ,monsters, aliens & all creepy stuff, duh!) Anyways, things aren't going well in Jet's home (he & Coral bought a posh home in L.A. after the babies & stuff) P.S: L.A. is pretty far away from W.V. (short for Weirldoville!) Jet & Coral

had a fight yesterday (my psychic powers help me a lot!) Coral thinks that Jet doesn't help her at home. Well, she tried to drag him to their marriage counsellor, Ms. Bisky & then Jet lost his temper (seriously, I don't know whose family he comes from! Pretty sure, he's adopted! ;-) He's such a hothead!) He broke 2 of Coral's blue china plates & stormed out! (I guess, Coral wept hard yesterday!) Anyways, the real problems started at Ms. Bisky's place. This morning, Jet stormed into our house claiming that Ms. Bisky was a vampire! (ouch!) When he calmed down, he explained that he & Coral had gone for counselling that morning at Ms. Bisky's place (finally!) Ms. Bisky said she wanted some 'alone time' with Coral (fat & juicy Coral, I suppose!) Jet thought it was strange (my bro; always suspicious!) Then he heard Coral screaming for help! When he stepped inside the room, he saw Coral sprawled on the couch with 2 bite marks on her neck & Ms. Bisky stood in the corner, her mouth covered with blood!! Jet carried Coral outta there & ran for his life! Anyways, he brought Coral to Maria's place (Maria is our new teleki-

netic alien friend from England) She said, "I think I can handle this. I'll use my telekinesis to wake her up & then we'll call my parents. They could help her." (P.S. I like Maria's British accent. So 'fetch',innit?!) She finally woke Coral up. Coral jumped up & tried to bite Maria but Jet caught her in time & injected her with Apsum Serum- a new drug invented by our uncle who's a scientist. It causes drowsiness (Jet is a brave guy! He deserves a medal,hee-hee! ;-)) "Well,she's unconscious again! Way to go,Jet!) I said sarcastically. "Hey,I saved Mary's life,ok?!" Jet reminded. "Her name's Maria,u dimwit!" I snapped. "People!! We need to call my parents,remember?" Maria interrupted. "Forget it! Ur parents won't be able to help." Jet said (always stubborn!!) "Why not,nitwit?!" I asked. & then he said the smartest thing ever! He replied,"Actually,um...uh...Ms. Bisky's got a serum in her office,it changes people who are vampires into humans again. But she's got it locked in a safe." "How do u know that?" I asked. "Did u forget we had the power to see through stuff?" Jet replied (Bugger! I did forget!) "Are u

suggesting that we fly with u to L.A. & get the serum?" I asked. "Of course! That's my wife & she's in danger,ok?!" Jet replied (he literally yelled at me!!) We had no time to waste. We snuck into Ms. Bisky's office that night. Jet brought along a crossbow. He bought it last week from an antique shop . I didn't know what use a crossbow would be to us...until now!! In the dark,we saw 2 gleaming red eyes. Jet switched on the light & the bat swooped down! Oh no! The bat changed form! It's Ms. Bisky!(we're in big trouble now!) But the braveheart that Jet is,he picked up his crossbow & shot a silver arrow (which he dipped in garlic puree,to make the sharp end 'vampire harmful'! Good idea,bro!!) at Ms. Bisky. She disintegrated instantly! (Yes!!) Maria opened the safe using her laser vision. We injected the serum into Coral who became normal/human soon. Jet apologized to Coral there & then & promised to spend more time with her. I guess they won't fight anymore...but I can't guarantee it,hee-hee!!
